- Maintain the security of your account credentials
- Notify us immediately of any unauthorised access to your account
- Accept responsibility for all activity that occurs under your account

We reserve the right to refuse registration or suspend accounts at our discretion, including where we have reason to believe information provided is false, misleading, or in violation of these Terms.

### 3. User Conduct

---

By using the platform, you agree not to:

- Use the platform for any unlawful purpose or in violation of applicable Polish or EU law
- Create fake accounts or misrepresent your identity
- Attempt to gain unauthorised access to any part of the platform or its infrastructure
- Scrape, copy, or reproduce platform content without our express written permission
- Post or transmit harmful, offensive, defamatory, or fraudulent content
- Manipulate or abuse the points, voucher, or referral systems
- Interfere with the proper functioning of the platform
- Use automated tools to interact with the platform without our prior written consent

### 4. Points and Voucher System

---

#### 4.1 Points

The Paylez loyalty points system allows users to earn points through platform activities, including:

- Playing mini-games and maintaining streaks
- Visiting and interacting with partner businesses (Tier 2 partners only)
- Completing profile and onboarding tasks
- Referring new users to the platform

**IMPORTANT:** Points have no monetary value and cannot be exchanged for cash. Points are a loyalty mechanism only and may not be transferred, sold, gifted, or used outside the platform. Points expire 12 months after the date they were earned unless redeemed.

#### 4.2 Vouchers

Points may be redeemed for discount vouchers valid at participating partner businesses. The following conditions apply:

- Vouchers are valid only at the specific partner location stated on the voucher
- Vouchers have an expiry date stated at the time of issuance — expired vouchers cannot be redeemed
- Vouchers may not be combined with other promotional offers unless explicitly stated

- The discount value is funded by the partner business — Paylez is not the provider of the discount
- Vouchers may not be sold, transferred, or exchanged for cash
- We reserve the right to cancel vouchers in cases of suspected fraud or abuse

#### **4.3 Platform as Intermediary**

Paylez operates as a technology intermediary between users and partner businesses. We are not party to any transaction between a user and a partner. Voucher redemption disputes, service quality complaints, and refund requests must be directed to the relevant partner business. We will use reasonable efforts to mediate disputes where appropriate, but accept no liability for partner service quality or fulfilment.

## **5. Referral Programme**

---

Users may refer new users to the platform using a personal referral code. Referral points are awarded when the referred user:

- Creates a verified account using the referral code
- Completes the minimum onboarding requirements specified in the app

We reserve the right to modify, suspend, or terminate the referral programme at any time. Referral points awarded in error or through fraudulent activity will be reversed. Self-referrals (referring yourself through a second account) are strictly prohibited and will result in account suspension.

## **6. Partner Listings and Content**

---

### **6.1 Partner Accuracy**

Partner listings on the platform are provided by third-party businesses. While we make reasonable efforts to verify partner information, we do not guarantee the accuracy, completeness, or currency of partner listings, including opening hours, pricing, services offered, or contact details. Always confirm details directly with the partner before visiting.

### **6.2 Partner Relationships**

Certain partners are featured at different visibility tiers based on their subscription level with Paylez. The existence of a paid partnership does not influence our editorial guidebook content or our user safety standards. Paid placements are clearly identifiable as featured or sponsored.

### **6.3 User-Submitted Recommendations**

Users may submit business recommendations to the platform. By submitting a recommendation, you grant us a non-exclusive, royalty-free licence to use, publish, and display the submitted content on the platform. You confirm the submission is accurate to the best of your knowledge and does not infringe any third-party rights.

## 7. Gamification

---

The platform includes educational mini-games covering geography, languages, and general knowledge. Game mechanics include:

- Points and scoring systems
- Streak tracking (consecutive days of activity)
- Lives system (limited attempts per session)
- Leaderboards displaying top scores

We reserve the right to modify, reset, or discontinue any gamification element at any time. High scores and streaks do not constitute property rights and may be adjusted in cases of technical error, abuse, or platform redesign.

## 8. International Money Transfer (Inactive Feature)

---

The international money transfer functionality is NOT currently operational. No financial transactions can be initiated, processed, or completed through the platform at this time. The interface exists for demonstration and development purposes only. By using the platform, you acknowledge and agree that you will not attempt to use this feature to initiate real financial transactions. We will notify users and update these Terms before activating this feature.

When activated, money transfer services will be subject to additional terms, applicable financial regulations, and KYC/AML compliance requirements. Activation will not occur without prior user notification and updated Terms of Use.

## 9. Intellectual Property

---

### 9.1 Platform Content

All content on the platform — including guidebook articles, design, logos, software, and original text — is the intellectual property of Paylez Sp. z o.o. or its licensors. You may not copy, reproduce, distribute, or create derivative works from platform content without our express written permission.

### 9.2 User Content

You retain ownership of content you submit (feedback, recommendations, profile information). By submitting content, you grant Paylez a worldwide, non-exclusive, royalty-free licence to use, display, and distribute that content solely for the purpose of operating and improving the platform. This licence ends when you delete the content or close your account, subject to any legal retention requirements.

## 10. Disclaimers and Limitation of Liability

---

The platform is provided 'as is' and 'as available.' To the maximum extent permitted by applicable law:

- We do not warrant that the platform will be uninterrupted, error-free, or secure at all times
- We are not liable for the quality, safety, or legality of services provided by partner businesses
- We are not liable for any indirect, incidental, or consequential damages arising from your use of the platform
- Our total liability for any claim arising from these Terms shall not exceed the amount you paid us in the 3 months preceding the claim

Nothing in these Terms limits our liability for death, personal injury caused by negligence, fraud, or any other liability that cannot be excluded under Polish or EU law.

## 11. Account Suspension and Termination

---

### 11.1 By You

You may close your account at any time by contacting us at [usepaylez@gmail.com](mailto:usepaylez@gmail.com). - Email to your registered address at least 14 days before the change takes effect

Your continued use of the platform after the effective date of updated Terms constitutes acceptance. If you do not agree to the updated Terms, you must stop using the platform and may close your account.

## 13. Governing Law and Dispute Resolution
